

# PUBLIC NOTICE

## THE NEW ID CARD

The public is advised that very soon, holders of the current Barbados Identification card will be able to register via an online portal or at any one of the twenty-four registration centres across the island for the New National ID Card.

The new card will be issued with higher levels of security and in compliance with International Standards for identity management and the storage of personal information.

Consequently, you will be required to present your birth certificate or a valid Barbados passport and any other documents in support of your current name. If you were not born in Barbados, you will also be required to present your immigration status document and/or the immigration status stamp in your passport. You are required to present the original (or certified copy) and one photocopy of each document.

Unless lost, the existing ID card should also be presented to facilitate easy registration.

For the full list of documents and any further information, you may call the Electoral Department at telephone number 535-4800 or visit the website, [www.electoral.barbados.gov.bb](http://www.electoral.barbados.gov.bb)

**Get your documents together in preparation for being registered for the new ID card.**
