9. The Chief Registering Officer prepared lists of persons who since the publication of the relevant registers had filed changes of residence or who for one reason or other ceased to qualify as electors in the Constituency.

/Counting of.....

Counting of the Votes

10. The counting of the votes took place at the Bethel Auditorium. The count began approximately 8.10 p.m. and ended around midnight on the 12th May, 1976. There were a number of problems encountered such as -

- (a) a number of unauthorized persons in the centre;
- (b) an unduly long count;
- (c) the leakage of information before the count was completed.

11. In an effort to combat the above problems in future consideration is being given to the feasibility of issuing 'Passes' to such persons as may be eligible for the attendance at the count. Such a procedure would assist the security officers in their duties.

12. The system of counting has been revised and the count should now be completed within two (2) hours.

13. With regard to the premature leakage of information it is proposed that in future once the count has started the doors of the centre will be locked, thereby permitting no one to leave or enter until the Returning Officer announces the results.

Storage of Election Documents

14. The Returning Officer delivered the election documents to the Supervisor of Elections on 21st May, 1976, who passed them over to the Registrar the same day in accordance with Rule 56(2) of the Election Rules.

Candidates Election Expenses

15(1) The returns of election expenses were forwarded by the Candidates/Agents in accordance with the provisions of Section 52(1) of the Act. These returns have been delivered to the Registrar in accordance with Section 60(1) of the Act. In accordance with the provisions of Section 48(2) of the Act, the maximum expenses allowed for each candidate was \$2,846.

(2) The following is a summary of the candidate s election expenses:-

<u>Name</u>	<u>\$</u>	<u>Date of Receipt</u>
Mr. Lyle Carmichael	987.00	29.6.76
Miss Billie Miller	2,759.70	29.6.76
Mr. Carl Moore	1,770.00	30.6.76
Mr. Ernest Mottley	1,168.36	2.6.76

/In accordance.....

16. In accordance with Section 52(1) of the Act the returns should be submitted to the Supervisor of Elections by the 30th June, 1976. Mr. Eric Sealy, Election Agent for Mr. A. Gilkes has not yet submitted his returns and is therefore guilty of an illegal practice in accordance with Section 55 of the Act.

General

19. As far as the supervisory aspect of the election is concerned it is unfortunate that the relationship between the Returning Officer and Election Clerk deteriorated to the extent that it left much to be desired. The Returning Officer in his report stated inter alia -

"I regret that the Election Clerk was not as co-operative as would be expected, and at times being distinctly hostile. If I am required again to perform duties as Returning Officer, I would prefer some one else to be my Election Clerk."

/It is .....

20. It is also unfortunate that an elector was issued with a tendered ballot paper consequent upon the negligence of an election officer who, rather than follow instructions given relating to an applicant who was unable to produce an Identification Card, relied on his knowledge of the area and the people resident therein.

Acknowledgement

21. I wish to extend sincere thanks to all who participated in the election for the assistance given.

Yours faithfully,

D.A. SMITH
