

## **VALIDATION OF REGISTRATION INFORMATION**

The new Barbados National ID Card is being issued in compliance with international standards for identity security and identity management and in compliance with the requirements of the Barbados Identity Management Act and the Barbados Data Privacy Act. It is therefore necessary to validate your registration information, wherever possible, this will be done electronically so that **you do not have to acquire new documents**.

### **ID CARDS ISSUED AFTER JANUARY 1ST, 2018**

Persons whose ID cards were issued after January 1, 2018 (see issue date at the back of card) are **not** required to present documents, **unless there was a subsequent name change or** (for non-nationals) **a change or extension of your residential status**.

### **BARBADOS PASSPORT**

A Barbados passport may be presented, even if expired, and **no other documents are required unless there was a subsequent name change**.

### **ID CARDS ISSUED BEFORE JANUARY 1, 2018**

For faster receipt of your ID card, persons with ID cards issued before January 1, 2018, who have documents in support of your name, date of birth, nationality and residential status (for non-nationals) **may** present them at registration.

You are requested to present your old ID card as this will reduce the registration time, but you will be allowed to keep it until you collect your new card.
